140826-West Lake Update-FINAL DRAFT.pdf

Hi Mary,

This version includes the handwritten changes Ben gave to me 8/25.

After a discussion with Shannon, I have totally rebuilt the figure as our version of the science (using the figure in the document as a guide). This will free us of the burden of tracking down the copyright issues. Incidentally, the figure in the document is not cited either.

I will return the folder and new version to Ben. Let me know if you have questions or concerns.

Toni Castro
